

Calling All Disciples!

Do you wish that you knew more about the Bible? Are you not too clear about the chronology and events revealed in God's Word? Do you wonder why Christians do certain things or don't do other things? We have the answer for you!

DISCIPLE is a program of disciplined Bible study aimed at developing strong Christian leaders. It focuses on the disciple as learner, believer, follower, proclaimer, and servant while providing the fellowship of a small group for study, prayer, preparation, support, and servant-hood.

DISCIPLE assumes that the Bible is key to renewal in the church and affirms that the canon was formed as it is in order for God to speak to us. The study gives the Old and New Testaments equal time, emphasizing the wholeness of the Bible as a revelation of God and draws upon the work of scholars to aid understanding of the Bible.

BECOMING DISCIPLES THROUGH BIBLE STUDY (Disciple I) uses biblical language and images and draws upon the work of scholars to aid understanding of the Bible. In this study, the student will read approximately 75% of the Bible and is based on careful study and preparation. During the course of 34 weeks, the study will move through the biblical stories of Creation to the New Jerusalem.

INTO THE WORD INTO THE WORLD (Disciple II) encourages persons to open themselves to hearing what God has to say to them through the Bible and to be guided into service in the world by Scripture and their study of it. The 32 week study selects specific portions of Scripture and delves deeper into them. Equal attention is given to both the Old and New Testaments, with concentration on the books of Genesis, Exodus, Luke and Acts.

Sign-up sheets are in the Gathering Area or Narthex. We challenge you to expand your knowledge and join a group today!
