

Helen Little

June 8, 2008

9:50 - 10:30

Helen Little, a Clayton resident, has been called to serve the impoverished children in Haiti. Her mission includes raising funds to provide clothing and food, to cover school expenses, and to provide college tuition to Haitian children. She has founded an orphanage, "The Ryan Epps Home for Haitian Children" and she has raised money to build seven schools, four wells, and a church for the Haitian children.

We are privileged to announce that Mrs. Little will be at Garner UMC to speak during the Sunday school hour on June 8th in the fellowship hall. We are asking individuals and Sunday school classes to please plan to attend as Mrs. Little tells us about the children in Haiti, her mission trips there, and ways we can get involved.

If you feel led to get involved in Mission Haiti, you may do so by making monetary donations or by donating items such as powdered milk, tang, canned meats, sun dresses for girls (sizes 2-12), shorts for boys (sizes 2-12), fabric for dresses and shorts, and children's shoes. Items may be dropped off in the missions box by the elevator. If making monetary donations, please mark your check for Helen Little. Please contact Martha Wiseman if you are interested in sewing dresses or shorts for the girls and boys. To find out more about Mrs. Little stop by the missions board located by the Library or visit:
